

# VIRTUAL INSTITUTES FOR CYBER AND ELECTROMAGNETIC SPECTRUM RESEARCH AND EMPLOY

## Answer the Call

VICEROY is a mission-focused cyber-spectrum leadership development pathway, accelerating talent through foundational skills, experiential learning, and operational application. VICEROY answers the call for defense readiness by increasing the number of new and up-skilled mission-capable professionals available to fill critical cyber-spectrum research and operations positions within the Department of War (DoW) and vital industries and contribute on day one.

These scholars will deliver operational impact, mission-driven insight, and skills to address the department's most urgent challenges.

### Why Your Institution Should Join

#### **GAIN**

National recognition as part of a DoW-backed cyber-spectrum talent pipeline with elevated standing in the NCAE-C\* network

#### **CONNECT**

Directly with DoW organizations to provide scholars with real-world hands-on experiences

#### **PROVIDE**

Students with year-round DoW-relevant programming that boosts competitiveness & attracts top talent

#### **ENGAGE**

In cutting-edge projects and innovative models that contribute to DoW cyber-spectrum mission readiness

\*NCAE-C denotes National Center of Academic Excellence in Cybersecurity

# VICEROY INSTITUTION EXPECTATIONS

VICEROY Institutions are essential partners in preparing the next generation of cyber-spectrum leaders.

## RESPONSIBILITIES INCLUDE:

- Facilitate VICEROY Scholars' engagement in a cyber-spectrum co-curricular club
- Facilitate Scholar participation in the annual VICEROY Symposium
- Maintain VICEROY branding
- Maintain NCAE-C designation
- Identify & support eligible students (GPA  $\geq$  3.2)
- Deliver DoW-aligned coursework and DOWM\* 8140.03 certifications
- Facilitate clearance form completion
- Facilitate annual VICEROY Scholar participation in cyber competitions offered or sponsored by VICEROY and its partners

\*DOWM denotes Department of War Manual

## Explore Before You Commit

Prospective universities can visit our scholar and faculty portals to explore further details. VICEROY will provide temporary guest access to:

- VICEROY Institute Portal (LMS)
- Project dashboards
- Metrics tracking and reporting
- Career development tools

To request a consultation and receive a demo of the VICEROY Learning Management System, email: [VICEROY@griffissinstitute.org](mailto:VICEROY@griffissinstitute.org)

AFRL

GRIFFISS  
INSTITUTE

VICEROY is a congressional interest item authorized by the National Defense Authorization Act for Fiscal Year 2019 Section 1640, "Program to Establish Cyber Institutes at Institutions of Higher Learning," and is funded annually through congressional appropriation. Leadership for the initiative is provided by the Office of the Under Secretary of War for Research and Engineering and executed in collaboration with Air Force Research Laboratory and facilitated by Griffiss Institute.
