

VICEROY

VIRTUAL INSTITUTES FOR CYBER AND ELECTROMAGNETIC SPECTRUM RESEARCH AND EMPLOY

LAUNCH YOUR FUTURE IN NATIONAL SECURITY!

VICEROY is a mission-focused cyber-spectrum leadership development pathway accelerating talent through foundational skills, experiential learning, and operational application.

This is your chance to forge a career in national security, gaining strategic insights into Department of War (DoW) cyber and electromagnetic spectrum challenges, priorities, and opportunities. VICEROY equips you with the skills and experience needed to deliver operational impact, mission-driven insight, and strategic leadership on day one.

Join a powerful network of DoW experts and peers

Gain hands-on experience with defense research and operations

Obtain access to exclusive paid DoW internships

Participate in mission-focused cyber-spectrum competitions

Earn opportunities to receive a national security clearance

Complementary Areas of Study

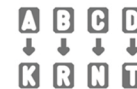

Electromagnetic Spectrum

Cybersecurity

Data Science

Cryptography

Strategic Foreign Languages

WHO CAN BECOME A VICEROY SCHOLAR?

We are seeking driven students who are eager to make a meaningful impact and launch their careers in national security.

HOW TO JOIN THE VICEROY INITIATIVE AND EARN YOUR SCHOLAR STATUS:

VICEROY Scholar

- Maintain eligibility for security clearance
- Complete a cyber spectrum-aligned major that supports national security needs
- Maintain a minimum GPA of 3.2
- Join a cyber or spectrum co-curricular club
- Participate in a cyber competition or exercise
- Engage in an applied learning experience

VICEROY Scholar with Honors

- Meets all scholar criteria +
- Hands-on learning and community engagement
- Complete a DoW internship
- Take part in the annual VICEROY symposium

PLUS! Complete all VICEROY Scholar tasks and earn a \$1,000 completion award — along with a personal commendation letter from the VICEROY National Director.
